This 2001 Shiraz, from 150-year-old vines and aged in new American oak, boasts an inky purple colour with aromas of roasted earth, blackberry liqueur, leather, and spice. Dense, full-bodied, and viscous, this sensational wine is drinkable young and yet last for two decades.

Elderton COMMAND Shiraz 2016

\$188.00 after 20% Ziptrak® Discount

A bit tighter and more focused than the 2015, the 2016 Command Single Vineyard Shiraz looks to have a bit more tannic richness and length, even if it's not quite as opulent or plush. It's still full-bodied and packed with dark fruit flavours and enough oak to give it shape and length. One of the best Commands I've tried.

Elderton Ashmead Cabernet
Sauvignon 2017

\$103.00 after 24% Ziptrak® Discount

A bit leafier than the stellar 2016, the 2017 Ashmead Single Vineyard Cabernet Sauvignon is still a fine, elegant example of Barossa Cabernet. Medium-bodied, it's smooth and streamlined, with a somewhat linear feel and a crisp, gently tannic finish.

Australia's #1 choice of outdoor blinds for over 30 years. Singapore's preferred choice.

The 2003 Shiraz Barossa Valley, from 40-year-old vines, is super-intense with an opaque purple hue. It has a full-bodied bouquet of creme de cassis, blueberry, creosote, smoke, and oak. This high-alcohol, limited production wine offers purity, intensity, and a multi-dimensional personality.

Standish The Relic 2004

The 2004 Shiraz/Viognier The Relic (93% Shiraz, 7% Viognier) is an exotic, flamboyant wine with inky/purple color, powerful full body, and sweet notes of blue and black fruits, flowers, and subtle oak. Aged 20 months in old French oak, it has a blockbuster mid-section, long finish, and is made by Dan Standish. Drink now or cellar for 15+ years.

A glass of Tapanappa Cabernet Shiraz is vibrant cerise with layered aromas of mulberry, clove, blackberry, and liquorice. It offers sweet fruit flavors, dry, dusty tannins that turn creamy, and a long, smoky finish.

Mount Mary Vineyard Pinot Noir 2005

\$348.00 after 20% Ziptrak® Discount

Elegant, smooth and supple with a spicy, floral perfume of raspberries, redcurrants, cloves and cinnamon, over suggestions of sweet vanilla/cedary oak and a hint of raisins. It opens slowly, becoming more juicy, fleshy and silky, presenting a restrained array of sweet cherry/berry fruit knit tightly with fine, bony tannins.

Clarendon Hills Cabernet Sauvignon Brookman Vineyard 2006

\$122.00 after 19% Ziptrak® Discount

The 2006 Cabernet Sauvignon Brookman Vineyard is flavourful and will be approachable young, drinking well through 2026. While the vintage wasn't as exceptional as 2005, some 2006s may surpass 2005s. Clarendon Hills 2006 Syrahs are superb, less structured, more forward, and early approachable.

ROBERT PARKER
97
points

Intense aroma of smoked prune, plum, bay leaf, mint. Steady strong body with medium plus acidity, finish by oaky hints and sandy rough tannin, good Australia Shiraz.

Wild Duck Creek Estate Reserve Shiraz 2005

Fox Creek Reserve Shiraz 2004

\$191.00 after 20% Ziptrak® Discount

Dark colour, opulent, rich and mouth-filling, chocolate, vanilla and mocha provide much of the energy, though there is plenty of blackberry/licuorice fruit.

Clarendon Hills Cabernet Sauvignon Brookman Vineyard 2005

\$139.00 after 20% Ziptrak® Discount

The 2005 Cabernet Sauvignon Brookman Vineyard features aromas of pain grille, spice box, black currants, and blackberry liqueur. It's forward in style with layers of spicy fruit, soft tannins, and excellent balance. Enjoyable now, it will remain pleasurable through 2020's

This 2003 Shiraz, from up to 152-year-old vineyards, aged 24 months in new French and American wood, is dense purple, ripe, and subtly layered with blackberry, currant, spicy oak, licuorice, and cedar. Full-bodied and voluptuous, it will drink well for 10-15 years.
